

Programming the interrupt controller

for Basics of Microprocessor technology

Nikolay Arsenov, Alexey Tukalo,
EFA12SF,
Information Technology,
Savonia University of Applied Sciences

November 30, 2014

Contents

1	The interrupt sources	2
2	Handling of the interrupts	2
3	Programming the external interrupts	2
4	Programming the internal interrupts	2
5	The tasks of the interrupt handle	2
6	Programming tasks	2
6.1	The first task	2
6.2	The second task	2
6.3	The third task	2
6.4	The fourth task	2

- 1 The interrupt sources**
- 2 Handling of the interrupts**
- 3 Programming the external interrupts**
- 4 Programming the internal interrupts**
- 5 The tasks of the interrupt handle**
- 6 Programming tasks**
 - 6.1 The first task**
 - 6.2 The second task**
 - 6.3 The third task**
 - 6.4 The fourth task**
